

ULTRA LITHIUM

PROFESSIONAL ENERGY

VARTA's Ultra Lithium assortment fulfills the highest quality and performance demands in all areas of modern life. The perfect solution for energy-intensive fields of application like digital cameras, walkie talkies and smoke detectors, Lithium batteries also work exceptionally well under extreme conditions. VARTA Ultra Lithium batteries master extremely low temperatures. High-tech devices are supplied with maximum performance and endurance. Up to 38% reduced weight in comparison to alkaline: perfect for sport and outdoor usage.

Photoflash

1. For a faster orientation: battery size

2. Bold indication of brand expertise

3. Best in class consumer guidance - easy to understand device icons to identify recommended use at first glance
