

Big power soldering iron

Model: ZD-701

Features

- Three optional colors for selection.
- Use for different soldering articles, like metal board tube or big components.
- Various tips are available (curved, straight, normal, and long life)
- Different powers allow the user to carry out the work requiring different temperatures.
- The tip is fixed by a screw, easy for replacement.

30W 40W

(mica heater)
