

W 201

Product no.: T0056105699N

Benefits

- › 200 W, 230 V
- › Complete with soldering tip CT2 F7 and safety rest
- › Magnastat controlled
- › For CT Soldering tips

Technical Data

| | |
|-------------------------------------------|--------------|
| Active Tip heating element technology | --- |
| Power Response heating element technology | --- |
| Silver Line heating element technology | --- |
| Voltage | 230 V AC |
| Power | 200 W |
| Tip range | CT2 (LT, PT) |
| Supply unit | --- |
| WX-compatible | --- |
| Temperature range °C | 370°C |
| Temperature range °F | 698°F |
| Heating time | tbd |
| Safety rest | --- |
| Safety rest (optional) | --- |
| Barrel | --- |
| Integrated direct extraction | --- |
