

TRE-03 NB & TRE-03 NBD

cutter - flush cut

TRE -03- NB

Thanks to several investments and research on the automation of its production processes, Piergiacomini Sud, is today able to offer TRE-03-NB, a tool with an excellent price/quality ratio.

Flush cut, lightweight and easy to handle with its "dolphin" ergonomic grips, TRE-03-NB is the best choice for work in electronics.

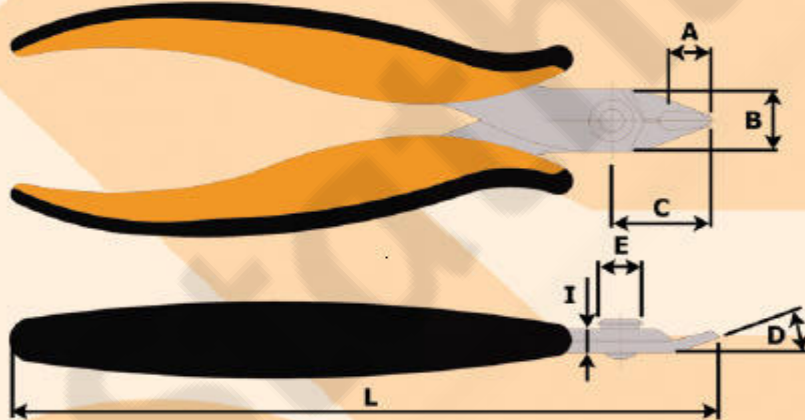

Maximum cutting capacity 16 AWG
(1.3mm)

Cutting force 1.3 Kg.

TRE -03- NB D

TRE-03-NB is available also in the **static dissipative** version:
order code **TRE-03-NBD**
