

CP-200/CP-200R/CP-376/CP-376K Professional Modular Crimps Strips & Cuts Tool

Parallel action

Stripping twisted pair round

The professional modular crimping tools work for solid and stranded wires and have built-in cutting function on the rear and stripping function on the front. The smooth ratcheting mechanism will ensure positive connections each time and keep the metal frame and its built-in dies rigid and durable.
