

## «PeakTech® P 1073» 600V AC/DC Smart-Multimeter with NCV & Live-Test

Product number: P 1073

GTIN/EAN: 4250569407482

### Description

---

Our new “Smart” digital multimeter combines state-of-the-art technology with an impressive range of functions in a compact design. It measures voltages up to 600V AC/DC, is CAT III certified and features True RMS for precise measurements with varying voltages. The integrated NCV voltage tester enables non-contact voltage detection, while the LIVE test reliably identifies phases and neutral conductors. Thanks to the automatic search of the measuring function, you no longer need a rotary selector switch. The multimeter automatically recognizes what is being measured and adjusts itself accordingly. The 4000-digit LCD display with blue backlighting ensures clear readability of the measured values and changes to red when measuring ranges are exceeded or the NCV voltage tester detects a voltage. In addition to the standard measurements for voltage, current (AC & DC), resistance, continuity, diode test and temperature, this multimeter also offers capacitance and frequency measurements.

### Technical features

---

- Smart TrueRMS multimeter with automatic function selection
- Manual function selection possible at the touch of a button
- 3 3/4 digit LCD display with 4,000 counts
- Backlight (blue/red) and LED light
- Continuity test and diode test function
- Capacitance, temperature & frequency measurements

PeakTech Prüf- und Messtechnik GmbH  
Gerstenstieg 4  
DE-22926 Ahrensburg  
[www.peaktech.de](http://www.peaktech.de)

- Live test and NCV voltage tester
- Auto-Power-Off and battery status indicator
- Sturdy ABS plastic housing
- Safety: EN 61010-1, CAT III 600V
- Accessories: Test leads, thermocouple, batteries and operating instructions

## Specifications

---

<b>Auto-Scan:</b>	■ +/- 0,5%
<b>Basic Accuracy DC:</b>	1,5V AAA 1
<b>Battery:</b>	mF 4.000
<b>Capacitance max.:</b>	LCD ■ ■
<b>Digital counts:</b>	CAT III 600
<b>Display Type:</b>	V Auto ■
<b>LED-lamp:</b>	600V 10A 4
<b>NCV:</b>	kHz 40 MΩ
<b>Over voltage category:</b>	1200 °C -200
<b>Range selection:</b>	°C 4000 mA
<b>True RMS:</b>	600 V 10A
<b>V DC max.:</b>	4000 mA
<b>A AC max.:</b>	
<b>Hz max.:</b>	
<b>OHM max.:</b>	
<b>Temp. max.:</b>	
<b>Temp. min.:</b>	
<b>mA DC max.:</b>	
<b>V AC max.:</b>	
<b>A DC max.:</b>	
<b>mA AC max.:</b>
